

Maths work for the week starting Monday 20th April.

The work for this week is from our 4th class maths book – Busy at Maths. The online version of the book is on the CJ Fallon website which we used a few weeks ago – (reminder cjfallon.ie, parent/student resources, student resources. This page will lead you to all resources. The interactive option gives good tutorials which help to explain the procedures if you're stuck. The following is the recommended work for this week

Monday: start with Mental Maths book – Monday test week 29.

Busy at Maths 4th class online book page 124 (2) a to j

Tuesday: Mental Maths – Tuesday test

Busy at Maths 4th class online book page 126 (2) to (5) just a and b in each row.

Weblink Tutorial 88 in the interactive section is very helpful if you're stuck on these

Wednesday: Mental Maths – Wednesday test

Busy at Maths 4th class online book page 127 (2) to (4) a + b and try the challenge too.

Weblink Tutorial 89 in the interactive section is very helpful if you're stuck on these

Thursday: Mental Maths

Busy at Maths 4th class online book page 128 (A) 1-12

Friday: Mental Maths

Busy at Maths 4th class online book page 128 (B) 1-11

I'll post the answers at the end of the week. Please make sure you keep up with your corrections.
